Thanks!! - Many Middle School students were *thrilled* with their Christmas gifts. Gameboys were a popular item! However, many are ending up on my desk during school; hours due to the temptation to play them. We are asking students to leave these electronic games at home/dorm and would appreciate the support of parents and dorm supervisors to help students remember to do this. Mary Glenn Cullison, Middle School Supervising Teacher

College Goal Sunday - Seniors and parents, do you need help with the FAF? Help is on the way at College Goal Sunday, February 2, 1992. College Goal Sunday is a free, two-hour workshop that will take place in 17 cities at libraries, churches, and community centers throughout Indiana. From 2 - 4 pm, families will have an opportunity to meet with financial aid professionals who will assist them in completing the FAF. If you have questions about this special event or need directions to the nearest center, call the Indiana College Placement and Assessment Center's (ICPAC) Hotline at (800) 992-2076 Chuck Daube, High School Guidance Counselor

You raise the dog and teach it to assist Deaf or wheel-chair bound clients. The group is also asking for cash and animals. For more information call Dan at (317) 255-8930

"Hands Can" is a traveling exhibition about the human hand. The exhibit will travel to 8 children's museums across the U.S. and Canada. The exhibit is designed primarily for K - 5 and focuses on the diversity of hands, and the ability that hands have to create, do, and talk. The show offers a variety of hands-on exploratory experiences individual or group. The exhibit opens February 8th. Congratulations to our students for their special contribution to "Hands On." Charlotte Schrock, Elementary Art Teacher

High School Testing - Sophomores and Juniors will be taking the Gallaudet Diagnostic Exam, in the Co-Ed Lounge. Juniors' exams will be Tuesday, February 4th, 8:00 - 11:40 am. Sophomores will take the exam Wednesday, February 5th, 8:00 - 11:40 am. Seniors will take the Gallaudet/NTID Entrance Exam Tuesday January 28th through Friday January 31st.

Second Language Learners - When we consider the use of the terms: "free-flowing, emerging, transitional and fluent," we are working towards a more valid way of assessing our students with second language acquisition. We need to look into each level and what it means:

Free flowing Developing first language, starting to become aware of the second language through exposure to print, fingerspelling and translating.

Emerging First language is acquired, more exposure of second language through print, fingerspelling and translating.

Transitional Is ready to read and write print with guidance and shows independence.

Fluency Reading and writing fluently and independently, able to translate both ASL and English.

Please understand that these are not established educational terms but rather food for thought in our efforts to re-assess our approach to our students' second language acquisition. Louise Fitzpatrick, ASL/ESL Coordinator
